

Reach Out and Read's Favorite Read-Aloud Books

Legislative Site Visits, volunteer reading days, and other read-aloud events all benefit from having engaging books on hand to make the event special. Good books for reading aloud are usually short and often have a phrase that can be repeated by the audience, such as "Are you my mother?", or build up to surprising conclusion, like the ending of "The Very Hungry Caterpillar."

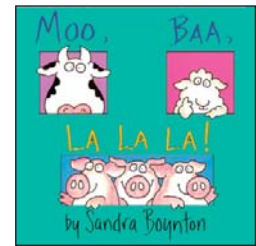

Below is a list of books that work well when you need a guaranteed favorite for any Reach Out and Read event. There are many other wonderful books for reading aloud; feel free to add them to your Program's list of favorites. If you have questions about ordering books for your Program, contact Jackie Miller at jackie.miller@reachoutandread.org.
